Representation in Contractor Disputes Involving Architects and Engineers. If you are a party to a construction project in the New York City metropolitan area and there is a dispute regarding the design of a project or the engineering efforts required for the project, The Law Offices of Ronald Francis can help protect your interests. Located in New York City, the firm has over 30 years of experience in construction law, including the representation of architects and engineers, as well as ...

Architects, Engineers and the Law by J R Cooke ...

Architects, Engineers and the Law (3rd edition) is a useful and concise summary of law and legal developments in the field broadly referred to as 'construction law'. While aimed primarily at architects, engineers and other construction industry professionals, the text is also of great practical value for the practising construction lawyer or student.

Architects and Engineers Are Special and the New Tax Law ...

Architects and engineers are special in several ways, including: 1. Unlike most professional service firms, they tend to accumulate earnings over time (often to fund redemptions at retirement) instead of maximizing current salaries; and 2. The new tax law treats them more favorably than just about every other type of professional service firm.

Chapter 27 New Jersey State Board of Architects

Fully updated, the 4th edition of Architects, Engineers and the Law offers a clear understanding of the legal aspects of day-to-day engineering and architectural practice. Architects, Engineers and the Law succeeds in bridging the technical building sciences and the legal profession.
