"That Sukanya Banerjee's intellectual project is a magnificently ambitious one is evident in the very first pages of *Becoming Imperial Citizens: Indians in the Late Victorian Empire*. Penetrating the far reaches of British colonial influence during the late nineteenth and early twentieth centuries, the work nimbly excavates an increasingly intimate commerce of peoples, ideas, labors, and services—in, and through which, the Empire gained sway, consolidated itself, was threatened, and ...

## **Bing: Becoming Imperial Citizens Indians In**

Becoming Imperial Citizens joins a new wave of criticism on the relationship between the colony and metropole that is informed by a carefully historicised consideration of transnational connections and discontinuities in the discourses of citizenship. Part of the critical move of the study is to 'uncover the contingent and overlapping genealogies of postcolonial citizenship' (4) prior to a phase of decolonisation, thereby forcing a reconsideration of Indians in the British Empire as ...

### **Becoming imperial citizens : Indians in the late-Victorian ...**

Indian South Africans are citizens and residents of South Africa of South Asian descent. The majority live in and around the city of Durban, making it one of the largest Indian cities outside India. Many Indians in South Africa are descendants of migrants from Colonial India (British India) during late 19th-century through early 20th-century. At times Indians were subsumed in the broader ...
