A hierarchical campus design approach has been widely tested, deployed, and documented. This section provides a high-level overview and highlights some of the design requirements that may apply to a video surveillance solution. For a more detailed review of Campus designs refer to the Campus Design documents in References, page A-18.

An Inside Look: The Secrets of Casino Design

In the last thirty years, casino design has undergone a shift away from the gaming design. After all, Friedman's design principle #10 is "standard decor beats interior casino themes."
