America can either be legal or illegal. The public is concerned about illegal immigration. This is because the state does not have statistics of the illegal immigrants. This hinders planning.

### **Challenging Immigration and Ethnic Relations Politics ...**

American history is rife with examples of anti-immigrant opinion. Benjamin Franklin opposed German immigration, warning Germans would not assimilate. In the 1850s, the nativist Know Nothing movement opposed Irish immigration, promulgating fears that the country was being overwhelmed by Irish Catholic immigrants.

Strengths and Challenges of Immigrant Families. Like all families, immigrant families are diverse, complex, and have strengths and challenges. The process of migration itself is often traumatic and not uniform. Many families are transnational, that is, they maintain connections across borders, as some family members may migrate first and bring children later.
