### **Christianity and Bioethics : Confronting Clinical Issues ...**

The notion that religious convictions have no place in medicine or bioethics is widespread and growing. After the Canadian Supreme Court recently found that euthanasia and assisted suicide are constitutional, for instance, there were immediate suggestions that doctors who refused to assist on religious grounds might have to find other employment. Writing in the Journal of Medical Ethics, Oxford theologian Nigel Biggar argues that this is wrong.

### **Christianity And Bioethics Confronting Clinical**

The Catholic Clinical Ethics Master of Arts program prepares leadership at Catholic healthcare institutions to address complex social and ethical issues in healthcare, clinical treatment, genetics, biotechnology, and policy within the framework of the Catholic moral tradition and teaching. The Catholic healthcare system is projected to lose approximately 70.6% of its ethicists over the next few years, creating an urgent need to train ethicists.
