What are Cross Functional Teams? | Planview

Cross functional teams are groups consisting of people from different functional areas of the company – for example, marketing, product, sales, and customer success. These can be working groups, where each member belongs to their functional team as well as the cross functional team, or they can be the primary structure of your organization.

Cross- Functional Teams: Working with Allies, Enemies, and ...

While working with cross functional teams should enable people to step up and learn new skills, an opportunity to go beyond tasks, learn and practice leadership skills, it hardly works that way. It looks like a mad powerhouse with few key decision makers and everyone else simply there to do their job (and nothing more).

What Is a Cross Functional Team and How Do They Work?

Cross-Functional Teams delivers a team operating manual to executives, team leaders, human resource professionals, and students of organizational behavior and provides a tool kit of assessment surveys, worksheets, checklists, and even sample training programs to help launch and sustain effective teams.
