Dad with dementia has begun the dying process. - AgingCare.com

It was hard for my 80 year old mother so she did not come often, and when she did, she would leave quickly. On the 8th day, she appeared in my dad's doorway. She asked me to leave. Against my better judgement, I went downstairs for lunch. She went to dad and took his hand and said "I'm here honey. I'm here.

Bing: Dads Got Dementia Life After

Beautiful article. I looked after my dad for 7 months after he got out of hospital (with the help of paid carers so I could go to work). I breathed a sigh of relief when he passed away because I was grateful he was spared further suffering and I was hoping I could have a life again - I know it's a bit selfish to say that.

Dads Got Dementia Life After Diagnosis [PDF]
