Multicultural Counseling: Types, Strategies, and Techniques

Developing Multicultural Counseling Competence gives graduate students preparing to become counselors—and counselors new to their professions—innovative, evidence-based guidance for becoming multiculturally competent counselors. Comprehensive, thoughtful, and in-depth, the book takes readers beyond general discussions of race and ethnicity into the realm of a broader, more complex view of multiculturalism and social advocacy in clients' and trainees' lives.

Developing multicultural counseling competence: a systems approach.

Multicultural competence - American Psychological Association

Multicultural competence in counseling refers to a counselor's ability to garner positive clinical outcomes in cross-cultural encounters with patients. 1 In this context, "cross-cultural" can be defined as differences between client and counselor in terms of ethnicity, religion, gender expression, income, disability or other social factors. While this is not to say that counselors and clients have no hope of communicating unless they share a cultural identity, it is important to ...

Developing Multicultural Counseling Competence A

Built upon the original Multicultural Counseling Competencies (MCC) developed by Derald Wing Sue, Patricia Arredondo and Roderick J. McDavis in 1992, the MSJCC represent emerging multicultural and social justice factors within our global society. The original MCC focused on attitudes, knowledge and skills as the foundation of multicultural competence and were geared toward "majority" counselors working with "minority" clients.
