## Elementary Math | Smore Newsletters

Elementary Mathematics - October 2017 by JCPS Elementary Math | This newsletter was created with Smore, an online tool for creating beautiful newsletters for educators, nonprofits, businesses and more

## **Elementary Newsletter - Rankin County School District**

One of the things we try to do each year is to create a math newsletter to share with parents, students and administration. The main reason is to help develop better communication with parents. The development of our newsletter is an ever evolving process, but we feel like we have hit on some key things that make our newsletter very effective.

### **2020 Newsletters | RFE**

Maria's Math News is my email newsletter for all of us who teach math – whether parents, teachers, tutors, or others. It was first published in 2006 under the name Homeschool Math Newsletter. On this page you can subscribe to the newsletter or to view the past volumes. The topics in the newsletter include math teaching tips and ideas, math-related news, news about Math Mammoth books, math resources,

humor, and giveaways.

### **Second Grade / Newsletters**

A Parent Newsletter About Mathematics at Lyseth School . from Cindy Nilsen, Lyseth's Instructional Coach of Mathematics Contact: nilsec@portlandschools.org. Words ~ Words ~ Words. This month it's all about words and how important it is for children to build an expansive working vocabulary of mathematical terms.

### **Math@Home | Education World**

Math @ Home is one of Education World's Newsletters 'R Us features. This series provides principals with ready-made features that can be cut-and-pasted into school newsletters. Math @ Home provides simple activities and games that parents and students can do together at home to reinforce students' math skills. Super Sums
