Ethics & Public Policy Center

Several reasons can be identified which discourage issues from being defined as “ethical” issues in public policy making. One is the cost of resolving ethical issues, another is that it is harder to predict what the outcomes will be of argument and discussion about ethical issues, and a third is that identifying issues as ethical makes salient the prospect for allocating moral responsibility and blame.

The Importance of Ethics in Public Administration

Ethical dilemmas in public policy making arise because resources are inadequate to meet all demands, and because people are committed to different values and ideas. How ought the state allocate...
