While American imperialism flared most brightly for a relatively brief time at the turn of the century, new imperial patterns repeated old practices and lived on into the twentieth century. But suddenly the United States had embraced its cultural, economic, and religious influence in the world, along with a newfound military power, to exercise varying degrees of control over nations and peoples.

### **Imperial Ambition In The Early**

Early colonization to Reconstruction (to 1877) brings American history to life for learners. Using dramatic recreation, historical maps and original illustrations, and featuring the contributions of noted historians and scholars, *The Unfinished Nation - Part I* offers a comprehensive treatment of early American History that is unparalleled in both quality and scope.

### **Bing: Imperial Ambition In The Early**

The empire allied with Germany in the early 20th century and joined World War I with the imperial ambition of recovering its lost territories. The Empire's defeat and the occupation of part of its territory by the Allied Powers in the aftermath of World War I resulted in its partitioning and the loss of its Middle Eastern territories, which were divided between the United Kingdom and France.
