An international armed conflict occurs when one or more States have recourse to armed force against another State, regardless of the reasons or the intensity of this confrontation. No formal declaration of war or recognition of the situation is required. The existence of an international armed conflict, and as a consequence, the possibility to apply International Humanitarian Law to this situation, depends on what actually happens on the ground.

for the classroom and professional instruction. Naz Modirzadeh, National Security Council Case Study Prototype, HLS, Fall 2014. In collaboration with the HLS Case Studies Program, the HLS Program on International Law and Armed Conflict (HLS PILAC) develops real-world-inspired case studies. As part of each exercise, students or other participants act as senior decision-makers to identify and resolve legal, policy, ethical, or operational concerns that arise in relation to contemporary armed ...

### **Research Handbook on International Conflict and Security ...**

Because there is no definite international security policy to address weak or post-conflict nations, stronger nations sometimes face “mission-creep,” a shift from supplying and aiding nations to an escalation of mission goals, when aiding weaker nations.

## **Bing: International Conflict And Security Law**

Law of Armed Conflict and International Security. A core component of international law is the law governing the use of force between states and the rules governing the conduct of hostilities. The area encompasses questions such as permissible use of force under the U.N. Charter, the scope and application of the Geneva Conventions; issues relating to peacekeeping and stability operations, conflict resolution, and post-conflict reconstruction; and legal responses to contemporary challenges ...

## **Research Handbook on International Conflict and Security ...**

The aim of the course is to give students knowledge about public international law and understanding of how law is applied and implemented in international politics, with focus on international peace and security. The focus of the course is on the role of the UN and other international actors in international conflicts.
