Whether you keep this book for yourself or give it as a gift to an artist in your life, you're sure to be inspired by the colors and images in National Geographic's new book, Life in Color! Life in Color is arranged by color in a rainbow of beauty. Each chapter, devoted to a color, begins with a short, inspiring essay that explores the qualities, meaning, and symbolism of that color, written in the same warm and lovely voice that guided the reader through Visions of Earth.
