Introduction to mentoring: A guide for mentors and mentees

Mentoring the Mentor recreates a Freirian dialogue in a printed format. In this volume, sixteen distinguished scholars engage in a critical and thoughtful exchange with Paulo Freire. While some contributors voice appreciation for Freire's ideas and for what it means to «reinvent Freire» in a North American context,

others offer sharp critiques of Freire's philosophy and, of equal importance ...

8 Qualities of a Good Mentor - The Balance Careers

Today, mentoring is a process in which an experienced individual helps another person develop his or her goals and skills through a series of time-limited, confidential, one-on-one conversations and other learning activities.
