## **Influence of a mindfulness meditation-based stress ...**

You will partner with your dermatologist, who will evaluate your severity by taking several factors into account, such as what percentage of your body is covered in plaques, to determine the severity of your psoriasis and develop a treatment plan.

Several factors go into determining whether your psoriasis is mild, moderate, or severe:

## **Treatment & Care for Psoriasis : National Psoriasis Foundation**

It is not optimal for defining psoriasis severity because there are some patients with low BSA involvement who have very severe psoriasis and some patients with high BSA involvement who have mild psoriasis. We conclude that a quality of life (QOL) standard is better than BSA measurement for identifying patients with severe psoriasis.
