analysis of its various paradigms, pitfalls and potentials.

Navigating World History Historians Create A Global Past

Historians present the past to the present to learn from mistakes and successes. Historians write, as accurately as possible, stories of past people, places, and events. Historians want to discover, study, and interpret new findings. Historians use the historic method to draw conclusions of history and how it affects us.

Why Study History? (1998) | AHA

History Is Useful in the World of Work. History is useful for work. Its study helps create good businesspeople, professionals, and political leaders. The number of explicit professional jobs for historians is considerable, but most people who study history do not become professional historians.
