OCIMF (2001), Design and Construction Specifications for Marine Loading Arms, Oil Companies International Marine Forum, Witherbys Publishers, Livingston, Third edition, 1999.

(PDF) Automation of real time monitoring and controlling ...

Design & Supply. Woodfield Systems Ltd design and supply control systems designed to meet the latest requirements of OCIMF (Design and Construction Specifications for Marine Loading Arms) and client's specific requirements along with local and international regulations. Our control systems are designed around the 'fail-safe' principle, meaning any failure will put the marine loading arm into 'Freewheel' mode to prevent damage to the Marine Loading Arm.
