## Opel Ampera Free Workshop and Repair Manuals

Then after the 2 month "warranty" was up, I complained again and they said they were going to charge me for this visit. I then complained about this and took it to another dealer and got an estimate for \$2500 to repair the car which was a 2016 with about 40k on it. I traded the car in and took my loss with the car about 3 months later.
