Abstract. In the years following World War II, American Protestantism experienced tremendous growth, but conventional wisdom holds that midcentury Protestants practiced an optimistic, progressive, complacent, and materialist faith. This book argues against this prevailing view, showing that theological issues in general—and the ancient Christian doctrine of original sin in particular—became newly important to both the culture at large and to a generation of American Protestants during a ...

Andrew Finstuen's Original Sin and Everyday Protestants detailed the resurgence of the Christian doctrine of original sin between 1945 and 1965 in the United States and the three men who were responsible for its promotion: Reinhold Niebuhr, Billy Graham, and Paul Tillich. In the midst of what some have labeled "The Age of Anxiety," two revivals ...

It would be an extreme departure from historical Protestant orthodoxy to question the very existence of original sin. /u/masok88 has already quoted the Thirty-Nine Articles, whose teaching on original sin is taken over by the Methodists in the Articles of Religion. The Augsburg Confession of 1530, the primary Lutheran creed, has this to say about the doctrine.
