Authoritative Police Leadership Authoritative leadership is strictly rules-based with a preference for order and a sometimes military-like approach. In such organizations, the leader exerts full control over the team and subordinates are expected to simply follow and obey, not to offer feedback or contribute ideas.

Bing: Police Services Leadership And Management

About PERF. Founded in 1976 as a nonprofit organization, the Police Executive Research Forum (PERF) is a police research and policy organization and a provider of management services, technical assistance, and executive-level education to support law enforcement agencies.

Police Services - Leadership and Management Perspectives ...

Of course, no two commanders lead the same way, but if each of the LEADERSHIP attributes are applied in one's management style then the basics are covered. Law enforcement officials must be successful in carrying out their duties while managing others; attempting to lead without a strategic plan should not be an option.

Emergency Services Sector Profile. The Emergency Services Sector Profile is a compilation of data to present a picture of the ESS as a whole and open an avenue to greater federal and sector partner coordination regarding emergency services discipline definitions; national census and data collection methods; and community awareness of capabilities, dependencies, and interdependencies.

Leadership, Management, Command, and Control

The Four Pillars: Leadership, Management, Command, & Control. While there is much agreement nowadays about the need for good leaders and managers, the need for command and control have come under fire as organizations move away from hierarchical (vertical) layers to horizontal or flat structures. However, command and control are just as important as leadership and management if we return to ...

What Style of Police Leadership is Most Effective?
