Reclaiming Socialism, or: Economic Democracy (Recovering a ...

When I write about socialism, I often point out that there's a difference between how economists define it (government ownership, central planning, and price controls) and how normal people define it (lots of taxes, redistribution, and intervention). These definitions are blurry, of course, which is why I created a "socialism slide" to show how countries oftentimes are an odd mix of ...

Economic democracy - Wikipedia

Socialism offers us an alternative moral and political foundation to the principles and the system that gave us economic inequality and dysfunctional democracy. Anyone who wants a more democratic, more decent world, in which others are less exploited, will be interested in socialism.

Bing: Reclaiming Socialism Or Economic Democracy

The economic failures of socialism never had anything to do with a lack of democracy. Democratisation improves many things, and is desirable for many reasons. But it does not, in and of itself, make countries richer. South Korea, Taiwan and Chile were not democracies when their economic take-offs started.

Reclaiming Socialism Or Economic Democracy

An attempt to reclaim the word "socialism" from those that have re-defined it and rendered it taboo. Socialism does NOT mean a state-run economy or the end of private property, let alone Soviet-style tyranny. Socialism DOES mean economic democracy, worker-owned business, an economy for the 99%, and a humane

Where To Download Reclaiming Socialism Or Economic Democracy Recovering A Stolen Word

alternative to capitalism.

Democratic socialism - Wikipedia

Democratic socialism is a living political tradition that emphasizes the need to weaken the grip of capital, empower the working class, oppose authoritarianism, expand democracy, and shift our economy and society away from private profit and toward the fulfillment of social needs. It's a vision worth debating — and defending.
