Recoding the Museum (Museum Meanings): Parry, Ross ...

The purpose of this paper is to trace the utilization of computer technology within museums and archival institutions, and relate how they have adapted to survive in today's society that is obsessed with technological advancement. Beginning in the 1960s, computer technology started to integrate into the federal government and professional business sectors. Because of its success in these ...

Disaggregating the collection | Recoding the Museum ...

Why has it taken so long to make computers work for the museum sector? And why are museums still having some of the same conversations about digital technology that they began back in the late 1960s? Does there continue to be a basic 'incompatibility' between the practice of the museum and the functions of the computer that explains this disconnect? Drawing upon an impressive range of ...
