Student Reference Manual for Electronic Instrumentation Laboratories, 2nd Edition
Stanley Wolf, California State University, Long Beach Richard F.M. Smith, California
State Polytechnic University, Pomona

How to Reference Electronic Sources in APA Format

The APA style manual suggests that you should only include electronic book references if the book is only available online or is very difficult to find in print. Your reference will be very similar to a regular print book reference, except the electronic retrieval information takes the place of the publisher's location and name.
