### **Suddenly You (Porter Siblings, #2) by Sarah Mayberry**

Suddenly You is number four in the Jane Austen Academy series. It can be read as a standalone but I wouldn't recommend it. First off you will lose out on reading some wonderful, modern retelling of our favorite Jane Austen books. Second you will miss out on understanding the other students as well as the mystery that is going on at the school.

Obviously he lacked the cranial equipment necessary to pursue a more intellectually challenging occupation.
