The Modern Apprentice. This website is provided as an introduction for those who are interested in the sport and art of falconry. Falconry is an ancient form of hunting involving the use of a raptor such as a hawk or falcon. In order to become a successful hunter, a significant amount of management and training of a bird of prey is required. Becoming a falconer is a long process involving state and federal licensing, an exam, facility inspections, and a minimum of two years as an apprentice.
