continues to monitor the impacts of the COVID-19 virus, also known as novel coronavirus. BLS is committed to producing and distributing gold-standard data while also keeping the public, our employees, and our partners at the U.S. Census Bureau safe.

Leon Trotsky: On the Labor Party Question in America (1932)

It was in the "Gilded Age" that the "labor question"--the equitable distribution of the fruits of labor and the participation of all citizens in American society--appeared in its "modern" form. Each generation since has arrived at a compromise solution, no answers entirely satisfactory to all participants.

The Labor Question in America - UI Press

Labor history of the United States. The labor history of the United States describes the history of organized labor, US labor law, and more general history of working people, in the United States. Beginning in the 1930s, unions became important components of the Democratic Party. Some historians question why a Labor Party did not emerge in the United States, in contrast to Western Europe.

their unions working people had a substantial voice in the way our country was governed.

Frequently Asked Questions | U.S. Department of Labor

Excellent book on 19th century American labor history. Currarino argues that during the 19th century the "labor question" moved to the forefront in a national discourse, and that this discourse addressed America's concern over how democracy would survive permanent class divisions.

Bing: The Labor Question In America

Labor Question The "labor question" was a major concern of Americans in 1912. Each of the political parties that competed in the election of 1912 developed its own, often very different, position on the question: how to solve the problems of the worker in an industrial society?

Labor Question | eHISTORY

During the past decade so many changes have occurred in the American scene which affect labor that a new statement of our labor problem appears justifiable. As these problems become more pressing, increasingly it is government which undertakes to deal with the difficulties facing workers, both employed and unemployed.

The Labor Question in America: Economic Democracy in the ...

How Labor Affects the U.S. Economy . The United States has a highly skilled and mobile labor force that can respond quickly to changing business needs. But it's facing more competitive labor from other countries that can pay its workers less. They can do this because they have a lower standard of living.
