### **The Second Coming of the New Age: The Hidden Dangers of ...**

New Age movement, movement that spread through the occult and metaphysical religious communities in the 1970s and '80s. It looked forward to a “New Age” of love and light and offered a foretaste of the coming era through personal transformation and healing. The movement’s strongest supporters were followers of modern esotericism, a religious perspective that is based on the acquisition of mystical knowledge and that has been popular in the West since the 2nd century ad, especially in ...
