Amazon.com: The Real American Dream: A Meditation on Hope ...

“The American Dream is that dream of a land in which life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement.” This is the first public American Dream definition from historian James Truslow Adams’ best-selling book “Epic of America,” published in 1931.

The Real American Dream: A Meditation on Hope by Andrew ...

In that context, the real American Dream was the promise of fairness, a principle driven into the foundations of our democracy like bolts into concrete. It was the dream of fairness before the law, fairness in allocating the burdens and risks of our economic system, fairness in our country’s investment in our future, fairness in interpreting our contribution to the life of our community and our nation.

American Dream - Wikipedia

The American Dream is a national ethos of the United States, the set of ideals in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in 1931, "life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement" regardless of social class or ci

What is the American Dream Today & How It's Changed Over ...

What anti-tech activists propose is simply a guillotine for the American dream. Today, America's big tech businesses are archetypes of the American dream that prove anyone can make it. But if Congress warps our antitrust law, that dream becomes something else altogether — anyone can make it in America, so long as they don't make too much.

Is The American Dream A Hoax? - Mediaite.com

To go as far as we want, to live as much as we wish, to fulfill our potential, to pursue, as the Declaration states, our happiness: That is the true American dream. For the next ten months, we will be blasted via our televisions, newspapers, and electronic devices with the promises of politicians running for all sorts of offices.
