In chapter seven there are three laws: the law of God, the law in our members, and the law of the mind. The law of the Spirit of life, no doubt, is the law of the divine life. By regeneration we received the divine life into our spirit, and with this highest life, there is the highest law. This law liberates us from the law of sin and death.

The Spirit of Laws is a treatise on political theory, as well as a pioneering work in comparative law, published in 1748 by Charles de Secondat, Baron de Montesquieu. Originally published anonymously, partly because Montesquieu's works were subject to censorship, its influence outside France was aided by its rapid translation into other languages. In 1750 Thomas Nugent published the first English translation. In 1751 the Roman Catholic Church added De l'esprit des lois to its Index Librorum Proh
