For over 35 years, the Herb Research Foundation has been helping to educate the world about herbs. We offer solid science and informed opinion, for free. Please use the donate button to support our work, or better yet, JOIN us. Self-care is the key to better health, and self-education is key to self-care.

Herbs And Spices | Encyclopedia.com

The history of herbalism is closely tied with the history of medicine from prehistoric times up until the development of the germ theory of disease in the 19th century. Modern medicine from the 19th century to today has been based on evidence gathered using the scientific method. Evidence-based use of pharmaceutical drugs, often derived from medicinal plants, has largely replaced herbal treatments in modern health care.
